DAY 3: VIENTIANE – MUONG LA – ETHNIC EXPERIENCE

After dinner, tour guide and driver pick up you at lobby at 8:30 am then we will start our full day interesting tour.

This full day tour includes no **‘real trekking’**, only **walking through and between villages**. Travelling by 4x4 is the only way to cover enough ground and climb the steep mountains in order to reach the most untouched and fascinating villages in the region. Speak to your guide to check if there are any **special markets** or **festivals** happening today, as the itinerary can sometimes be flexible.

Set off after breakfast to visit an entirely isolated **Ikhos village**. This ethnic group originates from Tibet and Yunnan and these villagers have seen very few foreigners. You may notice a different atmosphere here compared to other villages which are more used to seeing visitors. Your guide can teach you about the daily life of the villagers and how they still follow ancient customs passed down through the centuries.

Here you are more than **1,000m above sea level** and the views are magnificent, making it great picnic spot.

After lunch, you leave the village walk for approximately 45 minutes to the **Hmong village of Ban Tauser**. The remote route to the village takes you to a viewpoint with a stunning 360° panorama. The Hmong originate in the high steppes of Tibet and you will learn about their way of life, including the great importance of their livestock.

We return to the resort at the end of the day.

We will have dinner at resort and free time on your own then.

**DAY 8: LUANG PRABANG DEPARTURE**

Today we will wake up early to prepare for the most sacred tradition of Laos, the daily morning alms giving, which dates to the 14th century. More than 200 Buddhist monks depart from various temple to gather their daily meal from the faithful residents sitting quietly on the streets. From there, we will visit the temporary morning market near the former **Royal Palace**. Just set on the ground, the local people come here to barter their day's catch from rice, to vegetable, to fish, or chicken. This is the best way to experience the taste of local life. After breakfast, we climb up to the top of **Mount Phousi** for an enjoyable exploration of the sacred, gilded stupa as well as a panoramic sunset view of the city and the Mekong River. After that, you will visit **Royal Palace Museum**, which was built in 1904 during the French colonial era for King Sisavang Vong and his family. Your city tour continues with a visit to the magnificent **Wat Xiengthong**, a superb piece of Lao temple architecture, which presents a sweeping two-tiered roof and ornate mosaics including a beautiful 'tree of life' glass montage on the rear temple wall. If time permits, we will take a short walk around the small streets of city center, watching the life of local people, and visiting the traditional house of **Heuan Chan**, the Chantal wooden house dating back to 100 years old.
